

How can we help?

Its about four things...

- Tax expertise
- Accounting expertise

- Understanding and working with you
- Reasonable fees

I'll introduce the team further down the page but here is a summary of services, including a few specialities.

Specialities

- Polish businesses - we offer both Polish speaking and bilingual accountants to the Polish business community. With nearly 300 Polish businesses and self employed clients, we believe we are the largest provider of this service in the UK.

-

- NHS organisations and staff - GP, dental and other surgeries, doctors, dentists, contract and other NHS and healthcare workers. We are a listed NHS247 supplier and offer guaranteed 10% discounts and fixed price services to NHS card carriers.

-

- Building trades - Two of our accountants have considerable experience working for building firms and we offer a complete management service if you are a builder who would rather get on and build and is frankly a bit tired at night to sit down and get into paperwork and chasing money. We also offer CIS of course.

-

- IR35 - computing and other contractors - you know who you are!
